MIELE VACUUM CLEANERS: MAKING LIFE BETTER, ONE BREATH AT A TIME.

It's no accident. Miele vacuums are crafted to deliver unmatched cleaning performance, while actually enhancing your home's indoor air quality. As the world's first HEPA certified vacuum cleaners, Miele's S500/600 series utilize a Sealed System™ design, IntensiveClean™ dustbag and HEPA filter to trap virtually all the dangerous fine particles other vacuums let back into the air you breathe. Make life better, with help from Miele.

See your Miele dealer for a demonstration.
